You don't have time to be sitting around twiddling your thumbs, boy-o. There's work to be done 'round here.

Hah!
or maybe I should say go crash some skulls
Honestly now. You're human, aren't you? Just do what your heart tells you!
you could tell pretty much anyone the way you've decided to go in life.
and I'm willing to bet almost none of 'em would accuse you of setting out on the wrong path.
Given your situation,
But you've already made up your mind, haven't you?
HEY, FLOW-ER...
Hm?
HOW'D YOU FIGURE ME OUT LIKE THAT?
I don't even have to try!

You and I are one in mind and body, after all.
